

Demonstration Day Set Saturday By Area 4-H Potsdam Junior High Honor Roll Announced

St. Lawrence County 4-H Demonstration Day will be held Saturday Feb. 16 at the Canton Junior-Senior High School. Demonstrations of both Home-Making and Agriculture will begin at 10 a.m. and continue until all have demonstrated.

This activity is one of the many learning experiences which 4-H members have a chance to participate in and help develop poise and self confidence. It is an opportunity where members can show a skill, technique, or to prepare a product from one of their favorite recipes, that they have learned through their 4-H project.

Qualified judges in the various subject areas judge the demonstrations and certificates are presented to the members after they are rated as blue—excellent, red—good; white—worthy.

The following will be judging the Home-Making Demonstrations: Mrs. Harold Flanagan, Winthrop; Mrs. Leslie Cook, Mrs. George Isenberg, Mrs. Douglas Theobald, Mrs. Blanche Trevis, Potsdam; Mrs. Phillip Powell, Nicholville; Mrs. William Webb, Mrs. John Rich, Mrs. Hollis Brown, Mrs. Fred Wilder, Miss Marguerite S...

A Proclamation

Mayor George Anderson made the following proclamation this week:

Be it known to all citizens of Potsdam that the week of February 17-23, 1963, National Engineers Week, be set aside as the time to honor engineers for their contribution to our society.

"WHEREAS, the work of the engineer is indispensable to modern society.

"WHEREAS, engineers have contributed greatly to the economy through the application of their professional skill and judgement to the development of superior materials, machines and public works.

"WHEREAS, the engineer who develops and builds the products and systems that contribute to the welfare, safety and advancement of all Americans is essential.

"I, the Honorable George Anderson, Mayor of the Village of Potsdam, do declare National Engineers Week be celebrated locally with proper recognition of the profession and men who upheld its traditions.
