## Sunday Rock — North And South

The Coltons — With a roar of approval, Colton Basketball enthusiasts marked the final game of the 1963 season. The Varsity had won over Parishville 66-62, placing Coach Tom Murphy's boys third in the Oswegatchie League with an even record of 5 wins, 5 losses.

Their opponents in the league play-offs to be held Saturday night at the Clarkson Alumni Gym will be Clifton-Fine. The following Saturday the winners and losers of each game will meet at Appleton Arena, Canton, to complete the play-off series.

Our sincere congratulations go to players and Coach for a season of good sportsmanship.

Jim Cayce and Gary Collins tied for high score in a single game; each making 31 points. Jim against St. Regis Falls, and Gary against Russell.

Coach Tim Hennessy's Junior Varsity team finished their season in first place with Bob Phillips, Thomas Phillips, Ron Houston, John Scovill, Ron Gatham, Ron Rodwell, John Collins.

This Sunday is Heart Sunday — more immediately meaningful to us this year because of our learning of the plans for Michael Jenks.

We'll all be prepared for Chairman Joan Mackey's captains' assembly in the afternoon and evening Sunday.

In Colton, Lorena Jenks will be assisted by the young ladies of the Colton M.Y.F., while Naomi Stowe is South Colton's group leader.

Two new babies to report: Born to Florence and Vernon Cole of Colton, on Feb. 10, was a husky son, Kevin Paul, who tipped the scales at 8 pounds, 11½ ounces. In Canton Hospital Thomas Guy was added to the family of Sarah and Ralph Collins. He weighed in at 6 pounds, 15 ounces. The Collins live in Heuvelton.

Demonstration Day saw many 4-H members at work in Canton. The Colton Colts sent members to act as guides and assistants. Janis O'Gorman and Ann Riehl of the Equinants received a Blue Ribbon for their demonstration on the "Care of Tack," while Danny Green's "Saddling and Bridling the Western Horse" earned him a Red Ribbon.

4-H Leaders and members rate congratulations from all of us.

Twenty-four would-be First Aiders met at the school for their first class Monday evening. Our Fire Department is sponsoring the course whose instructor is Bob Sullivan, South-of-Sunday-Rock man now living in Potsdam.

Tonight Margaret Decker will be hostess to the Colton WSCS at their regular monthly meeting. The time, 8 p.m.

Bernice and Floyd Enslow's daughter, Mary, and their three grandchildren, James, Stephanie and John, have been re-mitted with their Air Force Major Joseph Sokolewicz. Dad has been in Viet Nam for nearly a year. Their new base is Shepard Air Force Base, Texas.

It was a gala party in honor of Virginia and Nick McEwen's 25th Anniversary last Wednesday, when friends surprised them with a get-together at the Sunset Lodge. Married Feb. 14, 1938 in Lake Placid, Nick recalls it was a windy, stormy day. Guess February's have a way of being like that in our North Country.

Mabel Cayce has returned to her South Colton home after attending the funeral of her brother, Judson McDonald, who

died in Lacona on Feb. 12, at the age of 72.

Many will remember Judson, who grew up on the East Hill Road, and attended Colton Schools.

Mabel was the only one of her generation able to attend the funeral in Sandy Creek since her half-brother Wash Boyd is in the Star Line Hospital; sisters Arvilla Johnson in the Canton Hospital, Libby Scovill in a nursing home in Potsdam, and Eva Strack ill in Syracuse. Mabel was accompanied by her daughter and son-in-law, Irene and Morris Young of Ogdensburg.

Friends of Wash will want to know that he will celebrate his 87 birthday on Feb. 22.

The rapid recovery of Mrs. Charles Gonnat following surgery finds her daughter, Bernice Corbitt, back home with her family after three weeks absence.

C.P. Freshmen held their "Heart Hop" at the school Saturday evening. Chaperones were Marge and Flash Bradley, Fran and Lee Collins, and Joan and Norm Whyte. The gym looked lovely in honor of St. Valentine and the King and Queen of Hearts, Ronnie Morrow and Clover Morton.

Winners of the vocabulary contest in Madolyn Saucier's Latin II class placed Mary Jane Watson and Bill Riehl in the place of honor, while Dorothy Long took Latin I high score. Lets see — amo, amas, amat — guess that's my Latin vocabulary.

Word has reached the school that Laura Selleck, daughter of Helen and Fred Selleck, is named Colton's Homemaker of Tomorrow, in the Betty Crocker Search for the American Homemaker of Tomorrow.

As the result of high mark in a test prepared by General Mills, and taken by our Senior Girls, Laura is now eligible for the State Homemaker of Tomorrow Search, which brings to the State winner a \$1500 college scholarship. Congratulations!

Here's the biggest story yet! Colton students have won four New York State Regents Scholarships. Proud of them — I guess we are!

Recipients of this annual award of \$250 to \$700 depending on financial need for each of four years college study in an approved New York State College are: Ellen Hepburn; daughter of Irene and Lionel Hepburn; Eileen Miller, daughter of Frances and Thomas Miller; Ronald Morrow, son of Rachel and Kenneth Morrow, and Laura Selleck, who was previously mentioned.

In the event that a Regents Scholarship is declined or relinquished, alternates are named, to be added to the Scholarship list in order of their rating. From our school four alternates have been named. They are: Elva Clark, Lorraine Dunning, Sandra Remington and Judith Tucker.

Named as alternates in the Regents Scholarship plan for Basic Professional, Education and Nursing are Elva Clark, Lorraine Dunning and Judith Tucker.

Incentive awards go to James Cayce, Elva Clark, Lorraine Dunning, Craig Perkins, Sandra Remington, Judith Tucker and Kermit Weston.

We are so proud of these young people. They are ours, and will go far with the good start they've made — North and South of Sunday Rock.

Dr. Robert Riggs, president of the St. Lawrence County Dental Society, has announced that the February dinner meeting of the group will be held at the Town House Restaurant in Potsdam at 6:30 p. m. tonight.

The St. Lawrence County Dental Society, last month, re-
