

UNUSUAL PRESENTATION — The Girls Glee Club of Norwood-Norfolk Central School will perform two "Ave Maria" settings, one by Schubert and the other by Arcadelt, at the annual Junior-Senior High School Concert in the High School

auditorium tonight. They will also present Faure's "Agnus Dei" and Bizet's "Agnus Dei." Mrs. Carol Mochel conducts the choral numbers, assisted by Frank Gerardi and Miss Dolores Kinte, both of Crane Department of Music at SUCP.

## This Saturday Is Poppy Day

Bright scarlet poppies will bloom on the lapels of hundreds of Norwood's citizens on Saturday, May 9 as a tribute to the nation's defenders who fell in the battlefields of three major conflicts.

Poppy Day, the annual memorial day of tribute to America's defenders, is sponsored by the American Legion Auxiliary throughout the nation as a salute to our fighting men. The observance takes place annually preceding Memorial Day holiday, Dimes and dollars given on Poppy Day go a long way in providing rehabilitation services for service men and women and their children.

Poppies received here for distribution have been hand made by disabled veterans. Veterans who fashioned the red crepepaper blossoms, tiny

replicas of the flowers which bloomed in the World War I battlefields of France and Belgium, are paid for their work. All other services in connection with the observance are done without pay by volunteers.

Mayor Robert R. Parr and Mrs. Pierce, chairman of the American Legion Auxiliary Poppy Day Committee, have declared Saturday, May 9 as Poppy Day in the Village of Norwood, and urge all citizens to participate in the tribute by wearing a memorial poppy on this occasion.

## Norfolk Bank Installs Burroughs Electronic Accounting Machine

Installation of one Burroughs electronic accounting machine that will automatically process all bookkeeping functions for the First National Bank of Norfolk was announced by Byron J. Short, cashier.

"We are proud to pioneer the use of this equipment in our area as an all-purpose bank machine processing checking accounts, savings accounts, installment loans, mortgage loans, commercial loans, and general ledger. With this new electronic machine our 1500 customers will receive more accurate, more efficient service than ever before," said Short.

The new machine can electronically "read" account information stored in magnetic stripes printed on the back of customer ledger cards. As operators post incoming data to these accounts, the machine will encode, or "write" the new information into the magnetic stripes, keeping them completely up-to-date.

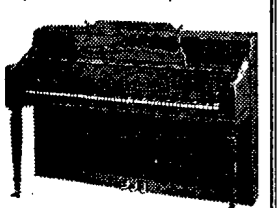

Guided by other instructions retained in the stripes, the machine can automatically align forms to the proper position for new postings, pick up old balances, compute and print new balances and make certain data is being posted to the correct account — all in one simple, speedy operation.

Despite these labor-saving innovations, there will be no reduction in staff at the First

The machine employs some of the same advanced techniques developed by Burroughs Corporation in building ground guidance computers for the USAF's Atlas missile and U.S. air defense system, he said.

The electronic equipment will be on display in the office of the First National Bank of Norfolk for the rest of the week.

## NNCS Spring Eve's Apples Concert Tonight

The annual spring concert of the music department at Norwood-Norfolk Central School will be held this evening (May 7) at 7:30 p.m. in the High School auditorium. The public is welcome and invited to attend at no charge. Students from grades 7-12 will be participating as members of the Senior Band, Junior Chorus, Girls' Glee Club, and Symphonic Choir.

The Band, under the direction of Robert Donovan, will open the program and will perform Ralph Vaughan Williams' "Palk Song Suite", "Skyline Overture", "Scherzo for Band" by Frank Erickson and "Emblem of Unity March."

Using only two sets of words, the Girls' Glee Club will present their part of the program. They will perform two "Ave Maria" settings, one by Schubert and the other by Arcadelt. Faure's "Agnus Dei" and Bizet's "Agnus Dei" will conclude this section of the program.

Junior Chorus will present a varied program ranging from a madrigal through Handel and Brahms. Their four numbers are "Now Is the Month of Maying" — Morley, "Vardant Meadows" — Handel, "Within My Heart Breathes Music" — Brahms, and "With a Voice of Singing" — Shaw.

Beethoven will be the primary composer of Symphonic Choir's musical offerings. They will sing "The Hallelujah Chorus" from the oratorio "Mount of Olives", "Elegy", and "Chorus of Joy from 'The Ninth Symphony'"; all by Beethoven. Palestrina's "O Radiant Glory", an a capella number, will also be performed.

Frank Gerardi, a Crane student, will assist Mrs. Carol Mochel in conducting the choral organizations. Miss Dolores Kinte, another Crane student, will also assist.

## New Books At Library

Norfolk — National Library Week was observed at the Hepburn Library with posters and streamers as decorations and a great many new books on display.

Many children visited the reading rooms during the week and took pleasure in finding the books of their choice. A special feature was a display of books on the Circus.

The following new books have been added to the shelves recently: The Divin Gourd by Kim; The Portofino, Green; Her Name was Sojourner Truth, Pauli; The Silent Storm, Crane; The Distant Princess, Corbett; The Explosion in the Cathedral, Carpenter; The Hat On the Bed, O'Hara; and many others.

## Schenck To Deliver Research Paper

Hilbert Schenck, Jr., associate professor of Mechanical Engineering at Clarkson College, will present a research paper at the Regional Technical Conference on Heat Transfer, being held this week end at Queens University, Kingston, Ont.

The title of professor Schenck's work, scheduled for presentation Saturday afternoon, is "An Analog Computer with Automatic Readout for Solving the Diffusion Equation in Two Dimensions."

polio will be offered. All pre-school children are invited to come.

## Winthrop OES Sets Covered Dish Supper

Winthrop — Laurentian Chapter No. 666 OES will hold a public covered dish supper on Tuesday, May 12 at the Masonic Hall. Serving will begin at 5:30 p. m. There will be a free will offering.

## ATTENDING MEETING

Clarkson College Librarian Charles Penrose, a director of the Western New York Chapter of the Special Libraries Association, is scheduled to attend a meeting of this group on Friday at the IBM Space Laboratory in Oswego.

## Area Women Invited To Money-In-Your-Pocket Clinic May 12

Women from Norwood, along with those from all points of St. Lawrence County, will be going in groups and singly to St. Lawrence University next Tuesday, May 12, for the unique Money-In-Your-Pocket Clinic sponsored by the Woman's Division of the New York State Commerce Department.

Mrs. Leon McCargar left Sunday night for Connecticut where she will visit her son, Douglas Burton and his family.

New books in the area of non-fiction at the Norwood Library include: The Segregationists by Cook; The Peacable Revolution, Schecter; The Twisted Image, Goodfriend; Men Who Made Us Rich, Ziegler; A Study of Communism, Hoover; Your Career If You're Not Going To College, Splaver; The Mosquito Man, Rowland; Area Code 315, Teller; Famous Physicists, Mann; and many, many others.

At the regular meeting of What Cheer Lodge 689, F & AM of Norwood, on Apr. 21, William Rivett, 21 Bay St. Potsdam was presented the 50-year emblem by Walter Dagget, Master.

During the panel discussion by parents and young people at the PTA meeting last Thursday, it was decided by all concerned that the necessary ingredients for the most satisfactory parent-child relationship are probably mutual respect and understanding. According to reports, it was a lively and interesting discussion.

Pre-school children are invited to the Norwood Grade School today from 9:30 to 10:30 a.m. for immunization against diphtheria, tetanus, whooping cough, smallpox and polio.

Miss Hattie Boyce, Massena, a member of the Governor's Council of this Division, is serving as chairman of this affair, and has secured a representative of the attorney general's office to be present and give advice about consumer protections and the sort of frauds most frequently perpetrated on the unsuspecting householder.

Our own District Attorney, J. George Follett, will also speak, citing some recent instances of unethical sales attempts and other frauds on a local scale.

A part of the program will also include documentary presentations of unusual jobs or skills developed and marketed by women. There will be an opportunity for individual consultation and guidance with qualified persons after each

session. See you there!

Nine young people from our area have been awarded prizes as a result of the recent milk poster contest sponsored throughout the county by the Farm Bureau, Milk Cooperatives, Dairymen's League and cooperatives of Mutual Federation.

From Grades 4, 5 and 6, the following were selected: Phyllis Lang, first; Suzanne McNulty, second; Christine Meriley, third. From Junior High: Philip Murray, first; Ronald Fleury, second; Shaheen Barry, third. Senior High: Richard Holtz, first; Frank Moody, second; and Gary Wolstenholme, third.

Congratulations, all! Do you know what little boys customarily carry in their pockets? A broken jackknife, three cents, a baseball card, three fish hooks in a plastic case, something that looked like it might once have been a worm, a tiny (but lethal) squirt gun . . . loaded . . .

plus a note, folded and re-folded which informed me of the date and time of the Grade School Concert. All these were found by yours truly on the morning of said concert. Together with the information that a red necktie and white shirt were requisites, and that he HAD to be there because he was in "the grand night and left." Why Mothers get gray!

## PTA Names New Officers

Robert Baucher was elected president of Norwood-Norfolk P-TA at the regular meeting last Thursday evening at the High School. Other officers also elected were: Willard Beyer, vice-president; Mrs. David Mochel, secretary; Mrs. Lewis Kern, treasurer; William Holt and Lewis Kern, membership chairman; Mrs. Raymond Stafford, publicity. These officers will be installed May 28.

## Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight

Chevrolet's Full Coil suspension makes the crookedest S-curve seem on the level. With a double-acting shock absorber in each corner, it takes the jumps out of bumps. With 4-link leveling control, you get away with Jet-smooth acceleration.

With built-in anti-dive control, you come to Jet-smooth stops. And with low-friction Ball-Race steering, you waltz over twisting roads as gracefully as a ballerina.

All seven Chevrolet engines are precision balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard.

It's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meanest stretch of road you can. Then see for yourself how straight a crooked road can feel.
