Saratoga Track Honors Hourihan

Winthrop — The Saratoga Race Track has announced that the Track, racing fans, fellow employees and friends will honor Bob Hourihan on Thursday, June 24 by naming a race for him. The winner of the Bob Hourihan Race will also receive a trophy to be given by the track in Bob's name.

Bob has been a popular driver and trainer for the Saratoga raceway for years. He and his wife Charlotte were severely burned when the family home was totally destroyed by fire during the early winter and the couple nearly lost their lives trying to save their grandchildren.

Track officials have also announced that a collection will be taken up at the track on Thursday and any funds contributed by fans and friends will be matched by the track itself.

Bob and Charlotte who were summer residents of the Saratoga area are making a slow but successful recovery from their near fatal accident but it will be quite a long time before either one of them will be able to resume their careers. Mrs. Hourihan is on the faculty at St. Lawrence Central School.

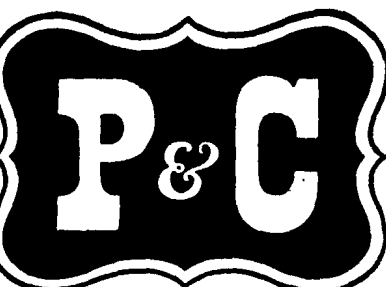

Leon L. Goolden Jr., son of Mr. and Mrs. Leon Goolden Sr., Madrid, has been appointed manager of personnel practice for audio products of the General Electric Company in Dacatur, Ill. He had previously been supervisor of men's employment for General Electric in Syracuse. His wife is the former Carol Hughto. The couple has two children, Sandra and Michael.
