

**BRAID AFLOAT**—With the new Italian luxury liner Michelangelo docked in New York on her maiden voyage, elegantly adorned braided hairdos stole the show at a gala evening aboard the ship. This sample features a bright ribbon entwined with the hair and large flowers decorating the crown and the end of the long braid.

### Sports Car Overturns; Driver Hurt

By MERVYN DICKEY  
Prescott — Pinned beneath his sports car after it had smashed a hydro pole and overturned, Dennis Hibbett, 28, of Prescott escaped with only lacerations to the head and an overnight stay in hospital Saturday.

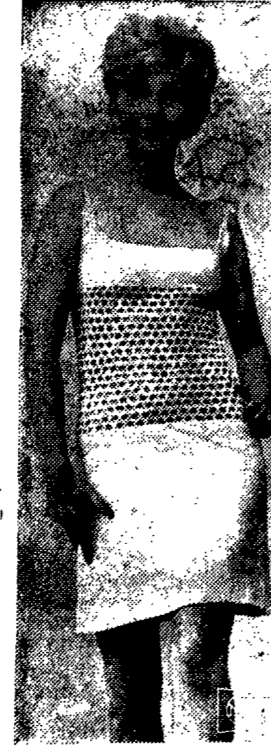

Hibbett was westbound on No. 2 highway in his car when it went out of control on a curve opposite Johnstown Motel, five miles east of Prescott. The car went into the north ditch, struck a culvert, and went hurtling into a telephone pole, snapping it off at the base.

Hibbett was found unconscious beneath the wrecked car and rushed to Brockville General Hospital by ambulance. Investigation was by Constable R. W. Smith, OPP, Prescott.

Earlier in the same day, three adults and a seven-month-old infant required hospital treatment at Brockville following a two-car collision on the Macdonald-Carter Freeway, at 2:55 p.m. The two vehicles were eastbound on the single-lane section east of No. 16 highway. The second car, operated by Theodore Rever, of Kingston, with Robert and Lorraine Smith and the baby as passengers, attempted to pass the first car, operated by Nathaniel Gagnon, of Limoges, Ontario. However, Rever's car just clipped the left rear corner of the car ahead and went out of control making one complete roll before coming to rest upright on the unopened north lane.

Con. Fred Barnhardt, Prescott detachment, OPP, investigate.
