

PEOPLE IN THE NEWS

Northampton, Mass. — (AP) — Sen. Edward M. Kennedy, D-Mass., has paid a return visit to Cooley Dickinson Hospital where he spent three weeks last year after suffering a broken back in a plane crash June 19.

This time the senator presented a scholarship fund Sunday to the School of Nursing. It was announced that the fund is a memorial to Edward S. Moss, a Kennedy aide from Andover who was killed in the crash.

Easton, Conn. — (AP) — Helen Keller has celebrated her 85th birthday with a cake, a champagne toast and a close group of relatives and friends.

The celebration Sunday was a quiet one for the blind and deaf author who has devoted most of her lifetime to helping the handicapped.

Dublin, Ireland — (AP) — Bing Crosby crooned a few bars of "When Irish Eyes Are Smiling" as he led Meadow Court into the Irish Derby winner's circle at the Curragh Race Track.

He had reason to sing. Within hours after Crosby bought a one-third share in the horse, Meadow Court earned him \$52,940 as his share of the \$155,820 first prize money in Saturday's race.

Crosby bought the share from Canadian millionaire Max Bell. He wouldn't say what it cost him, but commented after the race, "I've got my money back now and more."

New Orleans, La. — (AP) — President Johnson's younger daughter, Luci, arrived in New Orleans Sunday and rode from the airport to her hotel with a young man she described as "a good friend." His name was not disclosed.

Miss Johnson is in New Orleans for the convention of the American Optometric Association. She works part-time in a Washington optometrists' office.

Bill To Permit Practice By Law Students

Albany — Law students in their senior or final year in law school would be able to practice law under certain restrictions specified in a bill which was given final legislative approval by the Assembly before adjournment.

The measure — sought by the law colleges and law schools in the state — was sponsored by Sen. John H. Hughes, Syracuse, and Cayuga County Assemblyman George M. Michaels, of Auburn. Dean Ralph Kharas, of the Syracuse College of Law, was one of those actively supporting the measure.

The bill, which now goes to Gov. Rockefeller for approval or veto, would limit the law school seniors to practice under the supervision of legal aid societies and they would have to conform to a program approved by the Appellate Division of the Supreme Court in the area in which they were active.

DOUBLE DELIGHT — Lavinne Cross, left, and Carol Benson share the crown of "Miss Steel Pier" in Atlantic City, N.J. The girls tied in the voting in the nation's oldest beauty contest, which dates back to 1917.
