Who Finds All The Lost Mothers At A&P?

Don't believe we have lost mothers at A&P? You would if you saw a teary-cheeked tyke look up at a checker or clerk and say, "My Mommy's lost!" Funny thing, children are never lost—just their mummies are. It happens every day.

We've had 106 years experience finding "lost Mommies!" And we have a whole group of friendly people working at your A&P who'll wipe away those tears and round up that missing Mother.

That's the way we are at A&P because we care about you...and yours.

Is this a good reason for shopping A&P? It's one of many.
