**A BARGAIN...  
A REAL VALUE  
IS NOT A MATTER OF  
PRICE ALONE!**

It's what you get for what you pay.

The house dress or shift at \$1.98 is no bargain if—the seams pop the first time you wear it or it shrinks inches the first time you wash it.

A cheap product just for the sake of low price is no bargain. A quality product at a low price, that's a bargain... that's a real value... that's our A&P Brands.

More than a century ago we decided our own brands would be our finest values.

They are... and we're proud of it.

So proud... so sure,

we unconditionally guarantee your full satisfaction.

Are A&P Brands a good reason for shopping A&P?

They're one of many.
