"Love" is the subject of the Lesson-Sermon to be read in all Christian Science churches this Sunday. The Golden Text is from the first Epistle of John: "God is love; and he that dwelleth in love dwelleth in God, and God in him."
Related passages to be read from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following lines:
"Whatever holds human thought in line with unselfed love, receives directly the divine power. . . . Hold perpetually this thought,—that it is the spiritual idea, the Holy Ghost and Christ, which enables you to demonstrate, with scientific certainty, the rule of healing, based upon its divine Principle, Love, underlying, overlying, and encompassing all true being."

Who's the light of the party? The Invisible Man.

And he's the least noticed guest of all. You get so used to The Invisible Man—electricity—that you forget about him. But he's there, all the time, lighting every room of your home. He gives you the romance of a chandelier, the safety of a night light, the convenience of an everyday light bulb. The cost? Pennants. The Invisible Man—electricity—lights every light and operates all the appliances in your home for only pennies a day. So have a party. And invite The Invisible Man.
