Ever See One Hat That Would Satisfy Every Woman's Taste?

Impossible? Of Course!

We feel the same way about coffee. We don't believe one blend can satisfy every taste.

That's why we have three blends of A&P Bean Coffee. Some like a mild, mellow coffee. That's our Eight O'Clock.

Some like a medium blend that's rich and full-bodied. That's our Red Circle.

Some like a strong blend that's vigorous and winey. That's our Bokar.

Each is a blend of the finest coffees of its type.

In fact, there are no finer coffees in any package at any price.

Is A&P Coffee a good reason for shopping A&P?

It's one of many.
