

Labor Day Passes Quietly

By Mrs. C.W. Dygert
389-2667
Lawrenceville-Labor Day passed very quietly in our village.
Campers returned home to prepare and get ready their children for the opening of the school year, Sept. 6.

Mrs. Glendon (Jean) Sutton has applied to St. Lawrence Central School Board of Education to drive a school bus.

The Rev. William Otis had his first Service at the Methodist Church, Sunday, Sept. 3, and Baptized two children, who are in the care of Mr. and Mrs. Homer Stranger.

Mr. and Mrs. Gary Sochia are living in the house recently vacated by Mr. and Mrs. George Gardner and purchased by Wilfred Sochia.

Mr. and Mrs. Clarence Hicks of Sanfordville were recent evening visitors of Mr. and Mrs. Wilbur Dygert.

The Lawrenceville Fire Department is planning a big weekend this Saturday and Sunday.

An auction is planned at 1 p.m. Saturday.

Sunday, there will be a barbecue from 11 a.m. to 7 p.m.

Also, there will be a ball game between the Firemen of Lawrenceville and the Massena team.

The Firemen's Auxiliary will assist in some of the cooking and will have two booths—the one at the ball game and one at the auction. A good crowd will be welcome.

You can't fully enjoy the benefits of modern electrical work-savers and comfort-makers without full house-power. Yet three out of four homes have electrical systems insufficient for today's needs.

What to do? Insist that the home you buy has the certified adequate wiring seal. For your present home, call your man from A.W.B. for a free electrical inspection. He's an old hand at certifying full house-power homes.

ZIP-A-LIST Kits To Be Distributed

Potsdam letter carriers will start delivery of 4,000 ZIP-A-LIST kits to every household in the area during the week of Sept. 18.

Acting Postmaster Robert C. Rowe urged all residents to use the postal cards contained in the kits to obtain the ZIP Codes needed for addresses in their personal mailing lists. Each household will receive eight cards with spaces for the addresses to be "zipped" by the post office and for the return address. No postage is needed, Rowe said.

"ZIP Code is necessary all year round to increase the efficiency of the postal service," Rowe said, "but it is more important than ever around the holiday season. This year, the Post Office Department expects to handle well over nine billion pieces of mail during the Christmas rush. ZIP Code will be a great help in delivering that mail accurately and on time."

Dickie Dear:
