M-W Opens Soccer Play Saturday

The Madrid-Waddington Yellow Jackets begin a new soccer season with a young 'inexperienced' team.

Gone from last year's championship team are all-league players: Pete Hayes, goalie; Roger Mattice, fullback; Tim Cartner and Don Hughes, halfbacks; and Michael Oshier, lineman.

Other stellar players missing from last year's squad are Duane Willard, Robert Tracy, Don Halmes and David Champine.

However, on the bright side Coach Jim Rishe has two experienced lines and two defensive backs returning. Coach Rishe feels that if he can find two more good defensive backs and an adequate goalie the team can have another successful season.

Some of the boys who have shown promise this year are Steve Pierce, Kevin Dalton, Paul Pryce, Randy Hill, Dana Tyo, Pat Daley, Robert Daley, John Provencher, Jim Cauraugh, and Todd LaPage.

The season's opener will be against Colton this Saturday at 2 p.m. The game will be held at the Madrid-Waddington Central School field. The game will be broadcast by WPDM.

This should be a good game as the Yellow Jackets finished first in the Northern League with a 6-0-2 record and Colton finished second in the Oswegatchie League behind a strong Russell team.

The Yellow Jackets will play another nonleague game Monday against Indian River Central away and will open up the regular Northern League schedule at Canton versus the Golden Bears Friday, Sept. 22, at 4 p.m.
