1859-1967...108 YEARS YOUNG

**WE STARTED IN 1859 BUT...
WE'RE NOT
108 YEARS OLD!**

We're 108 years young.

We're old enough to understand the soundness of time-tested basic ideas, but young enough to keep trying to improve them.

Modernization and keeping abreast of new ideas and techniques

is a must for today's successful business.

We wouldn't be the world's largest food retailer if we weren't constantly thinking modern, thinking young.

But some basic thinking never changes.

Take that of our founder for instance.

He was dedicated, as we are, to bringing

the most good food, to the most people,

for the least amount of money.

To being fair, honest and trustworthy.

To caring about the people he served.

No matter how progressive, how automated,

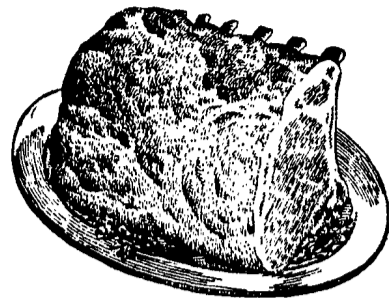

how modern we become,

we pledge to maintain these sound principles of our founder.

Even when we're 208 years young!
