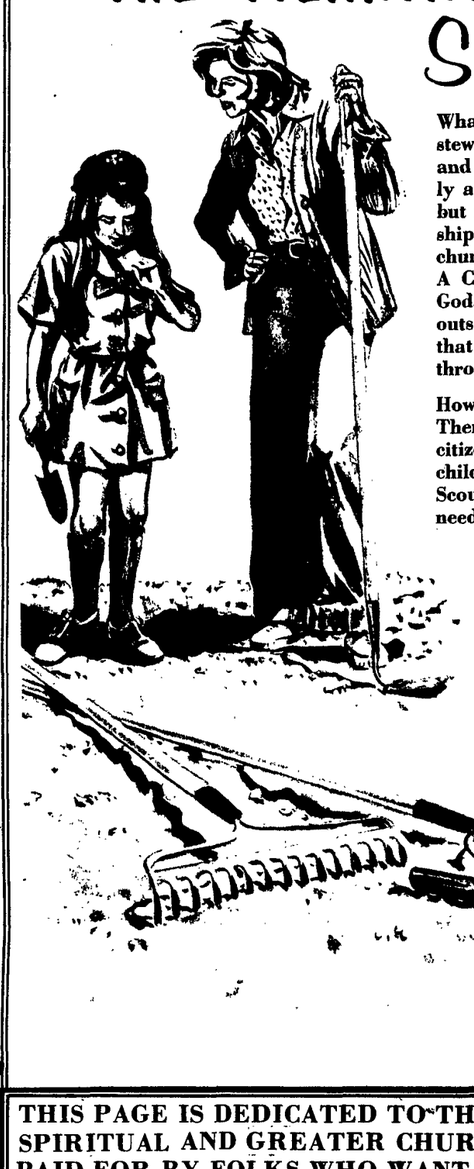
# THE MEANING OF Stewardship



**What is the true meaning of Christian stewardship? Contributions of time and money to the church are certainly an important part of stewardship, but it shouldn't end there. Stewardship is not simply what we do in the church. It is a part of every-day life. A Christian steward is a servant of God. Since we spend more of our time outside the church than in it, it follows that stewardship should be practiced throughout the week.**

**How can you practice stewardship? There are many ways--helping senior citizens, working with handicapped children, giving time to Boy or Girl Scouts. The list is as long as there are needs in your community.**

**Don't let stewardship end at your church door--be a steward of the world as well. Contribute your time and talents to your community.**
