

Sunday Rock--north and south

Mary Leary Murphy
The Colton-Pierrepont Central School band and majorettes will be holding a rehearsal on Thursday, September 2. Everyone should gather at the Firemen's Field to rehearse from 6:30 until 8:30 p.m. You must provide your own transportation and bring your instruments with you. It is very important that all the members should be present.

Home Again
Sirona Stowe of South Colton, has returned home after 56 days of hospitalization at the Champlain Valley Physicians Hospital and Medical Center in Plattsburg. She would like to thank all her many relatives, friends, neighbors, and C.B.'ers in this area who were so kind to her and sent her so many cards while she was away. It was all greatly appreciated. We're glad to be able to report that she is home.

Mayfield news

On August 25, friends and neighbors attended a covered dish supper at Mayfield Hall to extend good wishes to Mr. and Mrs. Floyd Davis and Mr. and Mrs. Harold Greem who will celebrate their sixtieth wedding anniversaries on August 30. Among the guests was Melba Castle, sister of Mrs. Davis, who was flower girl at the wedding sixty years ago. Mrs. Zella Hinman, sister of Mrs. Green and Mr. Davis, helped served refreshments at the wedding.

The dinner celebration included an anniversary cake made by Irene Weller and a birthday cake made by Margie Flint. Doris Blogett made corsages for honored guests. Dick Hampton played the organ following the dinner.

The chairperson for the event offers thanks to Anne Gagnon, Georgia Elliott, Doris Blogett, Ed and Dorothy Stowell, Harold O'Brian, Reg Hazelton and Mary Covert for their help.

Birthdays for the month are Muriel Wright, Sarah LaVare, Bernice Wake, Ruth Launer, Ruben Yale, Charlotte Morgan, Juliann Brothers, Hazel Sharnack, Leo Jarvis, Blanche Laver, Alma LaPointe, Mary Monk, Georgia Elliott, Susan Davis, Marjorie Flint, Hazel Sullivan, Alma Andrews, Beulah Green.

and women who have been selected for inclusion in the 1976 edition of Outstanding Leaders in Elementary and Secondary Education.

Each of these educators was nominated by school principals and superintendents who know the exceptional contributions each has made toward the advancement of education. As teachers, they take pride in their profession and strive to make learning a

New principal is appointed

Monsignor William J. Argy, pastor of St. Mary's Church in Potsdam announces the appointment of Beatrice Aldrich of 106 Market Street, Potsdam as Principal of Religious Education.

While not actually acting as coordinator, Aldrich will assume a great number of the responsibilities carried out by William P. Gooley, former coordinator who resigned to further his education. Gooley is studying for his doctorate at Syracuse University.

Aldrich comes to St. Mary's with 37 years of grade school teaching experience. The last 21 years were spent at Norwood-Norfolk Central School teaching sixth grade. She retired from there in June of 1973 and since that time has been associated with the Religious Education program at St. Mary's and has taught eighth grade.

She plans to continue the present programs with very few changes.

richly rewarding experience for thousands of students. Having distinguished themselves on both personal and professional levels, these men and women are outstanding and deserve to be recognized for their achievements.

Approximately 6000 outstanding leaders in elementary and secondary education from across the United States will be presented in the prestigious annual awards volume. In addition, they are now being considered for one of the ten \$500 unrestricted grants to be awarded in September to the five elementary and five secondary teachers chosen as the most outstanding in their divisions.

This is a great honor and we should all feel most proud to have one of our own teachers among this select group. She is Kathleen B. Champney, of Route 1, Colton. She is a secondary science teacher and is the wife of Bill Champney. They are the parents of one daughter, and she is now on maternity leave awaiting the arrival of their second child. Congratulations to Kathleen Champney.

Sympathy
Our sympathy goes to the family and friends of South Colton's Earl Mosher who passed away on Friday evening.

Back to School
Have you got your children all set to head back to school? It starts on Tuesday, September 7. It will be a full day with breakfast and lunch being served. The bus schedule will run about the same as last year, which means one

thing to me—it's time to get the kids used to going to bed and getting up lots earlier.

Reunion
On Saturday, August 28, Howard and Julia Jones had a reunion at their home with relatives from away. Able to be with them were brothers and sisters-in-law, Clayton and Toni Jones from Rome, and Lester and Irma Jones from Punta Gorda, Florida; and a sister-Marie England, from Rome.

Field Days
Hope everyone is planning to attend our Firemen's Field Day, to be held on

Monday, September 6.
It will start off with the parade at 10:00 a.m. to be followed by the famous ham dinner at 11:00 a.m. at the field. In the afternoon there will be a horse show, waterball games, and all the usual attractions. Let's hope for a nice day and that everyone will turn out to help support our Fire Department.

Basic Training
Bonnie Castor, daughter of Paul and Mary Castor has reported to the Lackland Air Force Base in Texas for six weeks of basic training. Following the basic training she will report to Mississippi for 33 weeks training in

Avionic Navigation. It will seem strange not to see Bonnie's smiling face around Colton.

Lost Dog
If anyone has seen our dog wandering around any time since Friday, we sure would appreciate it if they would give us a ring. He is a large, light tan dog-partly husky-wearing a black collar and tags. He may have simply strayed away or he may have been struck by a car. In any event, if anyone has seen him, we'd love to know.

Have a safe, happy, Labor Day and we'll see you later.
