

A FREE PRESS

...AN AMERICAN RIGHT

"Were it left to me to decide whether we should have government without newspapers, or newspapers without government... I should not hesitate for a moment to prefer the latter." That's how strongly Thomas Jefferson felt about our fundamental right to free information. It's why our Founding Fathers took care to write it into the Constitution.

Free speech and a free press are guarantees to Americans that they'll know what's going on. This also applies to your right to know what's offered in the marketplace. Your right of choice in goods and services keeps competition working for everyone's progress and benefit. Keep this in mind the next time a newspaper makes you angry.
