

Personal Touch

BY BETTY NEWTON
I must apologize to those few who "made the news" last week for forgetting Friday was Friday until it was too late to deliver the material. Losing days seems to be a habit of mine lately, but since I know some of the subscribers are far enough away so that their paper is always a week to ten days late, I thought it best to include everything this week.

WEEKEND TRIP
Mr. and Mrs. Keith Collins left August 27 for "parts unknown" my source said and were back at work Monday - or at least Marge was. Tracked her and a Ball Blue Canning Book down in the Home Ec. office in Canton. She also told me they went away for the weekend but didn't divulge where.

INJURED
Due to an injured muscle acquired at Newtown Falls Paper Company, Harley Newton was off work for a week. He returned August 31.

MOVING
Cindy Howard and Mark moved up to her mother's, Carol Howard's Labor Day Weekend so that Mark could start school at Colton-Pierrepont Central. Due to her consideration in starting moving on Friday, we were able to start some necessary renovations on her apartment. The new tenants, Mr. and Mrs. Mike Hollinger moved in on Sunday.

DINNER DANCE
Fire-chief and Mrs. Duane Irish and Town Justice and Mrs. Carl Newton were guests of the Pierrpont Fire Department at their banquet on Saturday, August 27. A delicious Steamboat Buffet was prepared and served by Mr. Austin (who lives next to the Hannawa Church) at their new Field House. The meal was followed by dancing to the music of the "Northern Lights." One of the members of the group is our supervisor's son, Tarry Thomas.

CHURCH SCHOOL
The Hannawa U.M. Church Sunday School reopened September 11 at 9:45. Again I must apologize for not getting this notice in on time. I hope many will make an effort to attend.

SURPRISE VISIT
On August 27, the Carl Newtons were surprised when Dr. Relda-Jean Johnson, former Director of St. Lawrence County Planned Parenthood of

Northern New York and now of Syracuse came to call. Among other things learned during our chat was that former co-worker Karen Duffo who lived in "the old school house" while taking advanced courses at Potsdam had returned to her native Lewis County and is now living in Adams.

ATTEND FAIR
Mr. and Mrs. Harley Newton, Mr. and Mrs. Wm. Henophy, Billy and Debbie attended Ottawa Fair August 27. They also visited Henophy relatives in Ottawa.

BUS SERVICE
Hope some of the Senior Citizens are taking advantage of the CDP-Senior Citizens Bus Service. If these services are not used, they are liable to be discontinued and then it will be a very hard task to reinstate them. Do you remember how upset many people were when they could no longer "ride the stage" or mail truck to Potsdam?

VISIT FRONTIER LAND
Kimberly, Eric and Patricia Newton visited Frontier Land with their grandparents, Mr. and Mrs. Carl Newton August 31. On the way home they had a picnic supper in the park at Tupper Lake and fed the Canadian Geese that were roaming around there.

CAMPING
Mr. and Mrs. Hugh Newton and children returned home from a week of trailer-camping at Blake Camp site Sunday, September 4 soon after they arrived, Mr. and Mrs. Mike Bert Augie, Theresa called on them.

NEW PET
The Mike Burris also stopped at the Carl Newton's where Augie captured one of the numerous barn kittens to take home for a pet.

REMINISCING
Just as they were leaving an old friend from long ago drove in. Mrs. Bernard Smith (Bernice Wood), Jamesville was spending the weekend at Stowe's Boys' neediness to say there was a lot of reminiscing and catching up to do. She is a reader of the Courier and remarked about how it was still "having suppers for the church." The first one I ever helped manage, she was helping also. That one was a ham supper; our elders told us 12-14 year olds couldn't do it-but we did and we succeeded in realizing a profit but neither she nor I could

remember what the proceeds were used for. Anyone know?

HONEY PURCHASED
Another nice development over the week was the confirmation of the rumor that Betty McRobbie and her daughter, Emily have purchased the former Hazzer, Szykowitz, Shinnick property and after minor renovations will be moving in. Hugh and Benny Shinnick have moved back to Potsdam.

LOCAL VISIT
Mr. and Mrs. Clarence Enslow, William and Winnie spent a few days with Mr. and Mrs. Ronnie Waldruff in Groveton, New Hampshire.

Mary Enslow, Postwood and Ann Newton, Potsdam attended State Fair in Syracuse.

We are proud of William Enslow. He collected \$31 from his friends and neighbors in Postwood.

UMW PROJECTS
Sally Newton was hostess for the South Colton, U.M.W. meeting, Wednesday, September 7. The group is going to try and avoid too much cold weather activity by having two projects this month. Sarah Gevey was hostess for a housewares party September 12 and on September 29 there will be another Roast Beef supper at the South Colton Community Center.

The U.M.W. meeting at Hannawa was held at the church on September 1. Eileen Basham gave her report on Camp Aldersgate. The business meeting was held following refreshments. Plans were partially formed for the annual sale in November. The ladies decided to take a vacation from money making activities and have a free covered dish family dinner. Those interested in attending should contact Amelia Weems or Ruth Jay for further details. It will be September 29.

President Amelia Weems, Louise Collins, Eileen Basham, Nellie Towne, and Kathleen Gilmore attended the UMW District Meeting of the Northern New York Conference at Ogdensburg on September 8.

CAPE VINCENT TRIP
Mr. and Mrs. Fay Collins took Louise Collins to Cape Vincent to spend a few days with Hazel Hitchcock last week.

ATTENDS DAR
Louise Collins attended the DAR meeting in Massena on September 7.

FURLOUGH
Scott Martin was home on two weeks furlough. Tried to get his parents to find out where he was stationed, but there was no answer.

PERFECT RECORD
The Hannawa Falls Department came up with a perfect record. In every parade where they have marched this year, they have placed first in the category of marching department without music. At Colton they also placed second in the waterball contest.

USDA sets new loan terms

The United States Department of Agriculture (USDA) announced it is changing the Farm Facility Loan repayment period from the current five years up to maximum of eight years. The department feels that lengthening the repayment period and increasing the number of annual installments will help lessen the cash flow problems of farmers obtaining loans. According to department spokesmen, a longer repayment period is needed because of recent changes in the program which increased the maximum loan amount from \$25,000 to \$50,000 allowed storage needs to be based on two years' production rather than one and decreased farmers' required down payments from 30 percent to 15 percent of the cost of structures and equipment. The effect of these changes will be to substantially increase the size of the average loan. By increasing the number of installment payments to seven years from four, previously, each installment payment will be smaller, thus allowing farmers more flexibility and lessening the possibility of delinquent loans, according to the department. The Farm Facility Loan Program is administered by the Agricultural Stabilization and Conservation Service (ASCS) through its county offices.
