

Sunday Rock North 'n' South: Colton And South Colton News

BY DOROTHY AYERS
262-2455

As this is being written, Al Thomas is out of the coronary care unit at Potsdam Hospital but will be hospitalized for quite some time yet, no doubt.

Beulah McCarthy had a hip operation at Potsdam Hospital on July 21 and is still in the hospital.

Iris Potter is now home from Mary Fletcher Hospital in Burlington, where she had extensive knee surgery. We understand she now has an artificial knee with 15 percent use of it, and

possibly 45 percent use, after therapy. Our good wishes to all our friends and neighbors who are ill.

Mrs. Susan Cayey spent several days recently visiting Mrs. Ruth Wilcox, Sanfordville.

Susan Swift and daughter Leslie visited Bruce and Terry Swift and their new baby daughter in California.

Mrs. Kenneth McGregor, Rt. 3, Potsdam had her daughter Charlene Drake and granddaughter Robin, from Missouri, home for a week's visit.

Claude and Eileen Bates have had his brother from Arizona and his sister from Syracuse, as house guests.

Bob and Peggy Irish sold their mobile home to Jerry Thomas and Bob is busy building a new house.

Lawrence and Sandy Regan bought Frank Fisher's house on East Hill and are settled in.

Clyde Sevey is building a two car garage; since he has a fulltime job it is surprising how fast the work on the garage progresses. Sperm Ayers still has a long way to go on his remodeling job; right now the

foam insulation is being blown in and he thinks it may have solved the bat problem.

North Country Button Club The Button Club had unusual activity in July when Iris Potter who was scheduled to host it, went in the hospital for surgery and Mrs. Bernice Enslow volunteered to be hostess. Then Mrs. Enslow's daughter Mary from Texas visited her mother so the meeting had to be postponed a short time.

Each meeting has a theme, with buttons related to that theme, discussion and displayed. Irish had chosen "Musical instruments and musicians"

so Mrs. Enslow used that theme and it was interesting to one who is not into buttons, that there is a "Flight of the Bumblebee" button. Nine members were present and the August meeting will be held at Lawella Selleck's, with the subject "Clowns." The meetings are usually the second Tuesday of the month, unless something comes up to change the date.

Dinner Postponed W.M. Connie Bates of Adirondack Chapter OES, announces that due to a conflict of dates the dinner which was to be held on Aug. 6 by the local Master Masons and Eastern Stars, will not be

held on that date but will be put on sometime later on. The planning committee forgot about the big Firemen's Field Day at Hannawa that same day.

Connie wishes to thank all the members for their work and contributions which resulted in the Colton Chapter sending about 25 pounds of candy down to the Eastern Star Home in Oriskany for Pilgrimage Day.

Wildlife Last summer we did not even see a deer track around out place, but coming home at high noon recently I nearly hit a beautiful deer on East Hill Road. I don't know which was the more startled. It materialized at the roadside right at my left front fender and couldn't decide whether to go all the way across, or not. I slammed on the power brakes and wondered what happens to the car when one hits a deer but we all made it safely.

Telling about it later, Allie Perkins said her carful saw a wolf on their way to Adirondack Museum last week and on the way home they saw a deer.

Senior Racquetteers A group went to the nutrition site at Edwards and enjoyed the outing despite the heavy rain which pinned us down after lunch for a brief while. Afterward, two of the cars went to visit "Padre's Rocks," the very interesting collection of minerals and finished jewelry and other items, which Rev. Charles Richard maintains in the rectory. Well, worth seeing and Father Richard is a genial host.

The South Colton UMW will meet at 10 a.m. at Sarah Sevey's on Wednesday, August 2. See you there.

Personal Touch: Hannawa Falls Area News

BY BETTY B. NEWTON

Mr. and Mrs. Grant Moore and family attended a family reunion in Orwell, Vt. on July 16. About 104 were present, some of the guests coming from as far away as Florida. Sue Kendall, Randolph, Vt., returned with them for a week's visit. Grant Moore Jr. returned to his Base in Germany July 29.

Local Notes Mrs. Mavis Weems has been transferred to Highland Nursing Home, Massena. She will undergo intensive therapy there before returning to the home of her daughter, Betty Stark.

On hand to celebrate the end of haying at the Newton's Tuesday night for supper were an assorted gang of Burt, Root and Newton families. They came for supper and spent the evening. Mr. and Mrs. Henry Burt, Erica and Tara and Mr. and Mrs. Mark Salmons and April are spending the week at Camp Odds and Ends.

Wednesday, July 26, the Carl Newtons attended the Saranac Lake Hospital Guild Antique Sale and visited Mrs. Elda Kibben at Uihlien Mercy Center at Lake Placid. They also called on Mrs. Richard Kibben, Laura and Matt at their camp.

Recovering We are pleased to note that Corrine Covey is recovering satisfactorily from her automobile accident. On July 22, she and her passengers were in a head-on collision with a car driven by Michael Martin near Kring Point State Park. Martin, of Rochester, was accused of driving while impaired by use of drugs. Corrine's car was totaled by the crash, but luckily no person was in the same category. Lillian Lakins who lives across the road from Corrine was one of the passengers.

Pierrepont Museum Repairs continue on the Pierrepont Museum. It is hoped that by the end of the first week in August, cleaning operations can start and a bit of renovation to the walls take place before exhibits are set up for the Dedication Ceremony at the Back To Pierrepont Day on August 20. Any member who can help, please call 265-7459.

Potsdam Student Receives Award For Friendliness

Jeannette A. Mein, a Potsdam Central School student, who is employed as a waitress at the Broadway Dinette in Cape Vincent, was the winner for the second week of the "Super Nice" program, sponsored by the Thousand Islands International Council, in cooperation with WNY, Watertown and CFJR, Brockville, Ontario.

Under the program, visitors to the Thousand Islands region may nominate a person who has been especially nice to them during their stay. Nominators and nominees both receive prizes.

Jeannette will receive \$10 and a plaque. Her nominator, Frank Alesoandra, from Rochester, will receive a \$25 savings bond, donated by the Cape Vincent Chamber of Commerce, and a dinner for two at a local restaurant in Cape Vincent.

Norwood Drive Collects Money For Mental Health NORWOOD-A recent drive for mental health in Norwood raised \$8.75 for the Mental Health Association in New York. Mrs. Marian Morse, President of the citizens' association, expressed her appreciation to Mrs. Clarence Cutler Jr., who headed the drive. The Mental Health Association is the only nationwide citizens' group working on behalf of the mentally ill. There are 17 chapters in New York, with over 18,000 members. The association's primary goal this year is to see that local mental health services are more adequately funded.
