

## Bishop Calls Paul VI 'Pope Of Peace'

OGDENSBURG—Bishop Stanislaus J. Brzana of the Roman Catholic Diocese of Ogdensburg issued the following statement upon hearing of the death of Pope Paul VI on Sunday:

"I was shocked and deeply saddened to learn of the death of Pope Paul VI on Sunday afternoon. Only last April, I had visited the Pope on the occasion of my ad limina visit to Rome to report to him on the state of the Diocese of Ogdensburg. I found His Holiness, the Pope, to be alert and vigorous for a man of 80 years.

"History will recognize many outstanding achievements of Pope Paul VI during his 15-year pontificate as the successor of St. Peter as the Head of the Apostles. Pope Paul will be remembered for succeeding Pope John XXIII during the Second Vatican Council and bringing the Council to its successful conclusion and promulgating its decrees which have affected the life and practices of the Church in many areas such as ecumenism, liturgy, social reform, while remaining true to its age old principles.

"In the years since the Council, Pope Paul placed great emphasis on the collegiality of Bishops in ruling the entire Church, the principle of subsidiarity or decentralization which gives more authority to local churches, the establishing of the Synod of Bishops which has met in Rome every two years to advise the Pope, and on the reform of the social order to bring the good things of God's creation and the freedom of God's children to people throughout the world.

"Most of all, Pope Paul will be remembered as the Pope of Peace. As a pilgrim, he travelled 70,000 miles during the early years of his pontificate in a quest for peace. He was the first Pope to visit the Americans when he came to New York City to offer Mass for Peace at Yankee Stadium in 1965. Many of his addresses and letters were impassioned pleas for peace throughout the world.

"Perhaps, his most dramatic words were 'War, never, never again.' The greatest tribute that the world can establish to his Pope of Peace and Justice is a world where all nations and peoples live together in a just world at peace with each other and with their Creator.

"Pope Paul was a sensitive man, a very spiritual man, who guided the Church during many troublesome years when turmoil and violence have often engulfed the world and even affected the Church. We give thanks to God for having given us this saintly Pope during these past 15 years. We pray that God may give him that peace which he sought so earnestly on earth with the words, 'enter into thy eternal reward, thou good and faithful servant.' I am asking each church in the Diocese of Ogdensburg to offer special prayers at all Masses this week for the repose of the soul of Pope Paul VI and to celebrate a Mass next Sunday for the repose of his soul with appropriate prayers and homily.

"Pope made the College of Cardinals truly representative of the entire Church, appointing new Cardinals from countries throughout the world. At this time, we should pray to the Church during this time of transition, that the Holy Spirit may guide the Cardinals when they meet in Rome to elect a new Pope, the successor of St. Peter."

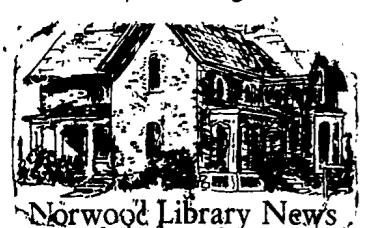

Reports indicated that flames leaped as high as 50 feet during the 5:30 p.m. blaze.

## Generators, Cars, Miscellany To Be Sold In Thruway Auction

ALBANY—Three gasoline-powered 100 kilowatt emergency standby generators that once lighted the Thruway at night, 45 trucks and cars and a miscellany of wedding rings, cameras and watches will be sold by the New York State Thruway Authority at public auction Wednesday, Aug. 9 beginning at 12:30 p.m. at Albany Division Headquarters adjacent to Interchange 23.

The morning of Aug. 9, the automobiles, truck generators, loaders and tractors may be inspected between 9 a.m. and noon and 1:30 p.m. and 3 p.m. The lost and found items and the smaller items may also be inspected the morning of sale day.

The list of items and other details may be obtained at Thruway Administrative Headquarters, 200 Southern Blvd., Albany, or from Division Offices at 333 South Broadway, Tarrytown; Old Thompson Rd., East Syracuse, and 1870 Walden Ave., Cheektowaga.

The Norwood Library will be closed Aug. 12 through Aug. 27 for the librarians' annual vacation. Overdue library materials may be returned to the Norwood Library without late charges until Aug. 12. Volunteers at the Aug. 3 adult health screening clinic were Joan Ladouceur, Margaret Call, Betty Lyman and the librarian. The next clinic will be held the morning of Sept. 7.

RECEIVES GRAHAM AWARD—Professor Shankar R. Subramanian, left, a member of the chemical engineering faculty at Clarkson College, is congratulated by Dean Richard J. Nunge, director of the Division of Research and Dean of the Graduate School at Clarkson, after receiving the John W. Graham, Jr. Faculty Award. The \$1,000 award, established in memory of former Clarkson Chancellor John W. Graham, Jr., is given annually to a Clarkson faculty member or members for expenses in pursuit of research. Subramanian is presently involved with work on a \$554,973 NASA research contract to develop special techniques for the processing of glass in outer space. Experiments will be performed on Space Shuttle flights scheduled for mid-1980.

## Canton Christian Academy To Open

CANTON—Canton Christian Academy has set Monday, Aug. 14 as registration day for all students wishing to enter the school, which will open in September. Registration fee is \$50 credited toward the first year's tuition and materials fee. Parents who have not yet submitted application should contact the academy as soon as possible if they wish to be sure of a space for their child. This will mark the first year for C.C.A., a ministry of the First Baptist Church in Canton. The academy is open to all qualified students from grades two through eight and is said to be designed to provide the highest standard of Christian education. Pastor Jeffrey Jorgensen is the principal and Mr. Robert Whitaker is the headmaster. Jorgensen is a graduate of Hope College, Holland, Mich., with a B.A. degree in English and a Master of Divinity degree from Grace Theological Seminary, Winona Lake, Ind. Whitaker is a graduate of Linda Vista Bible College and Seminary, El Cajon, Calif., with a B.A. degree in both Christian Education and Bible.

## Injured Youth Said Stable

Charles Paul, 16, Potsdam, was listed in stable but guarded condition Tuesday morning by authorities at the Canton-Potsdam Hospital. He was hospitalized Saturday night following an automobile accident in which he and four other persons were injured. The one-vehicle accident occurred about 10:45 p.m. near the entrance to the Potsdam Country Club on Route 56 between Hannawa Falls and Potsdam. The driver of the pickup truck in which Paul was riding, Douglas J. Lanning, 31, Madrid, has been charged with driving while intoxicated.

Paul was the most seriously hurt in the accident. He was taken to the hospital with chest injuries and was placed in the cardiac care unit. On Tuesday morning, he was resting in a special care unit. Also injured were Lanning, who suffered a back injury; Jamie Gushlaw, 18, Potsdam, who received a back injury; Curtis H. Peters, 17, Potsdam, with a hip injury; and John Chappuis, 18, Madrid, who had numerous bruises. Sheriff's deputies said that the truck was northbound when it swerved into the left lane, crossed back to the right side of the road, skidded broadside and rolled over.

The impact tore the cab completely off the truck. All five passengers were thrown from the truck. Three had been riding in the back of the truck.

## Foundation Aids ATC Development

CANTON—A student aid in the Canton ATC secretarial science machine room utilization of existing personnel and facilities. It assists the college with development efforts, including helping to strengthen recruiting and placement programs.

With state budgets so critical, public funds pay for essentials but fail to provide support for scholarships, certain equipment, special faculty grants for instructional and applied research, or for expansion of programs and facilities, St. Mary explained. To meet this need, the Foundation has changed in five years from just a repository to a business. Projects, programs and activities have been added.

The Foundation provides funds for student assistantships; student grants-in-aid; faculty grants; memorial, special and general scholarships; Alumni Association scholarships; activities and conferences; and special projects.

The Foundation was also established to make grants and loans to students, faculty, staff and administration and to assist financially any other organization duly authorized by the college to carry on charitable or educational activity. But the main purpose has always been to seek funds for the ultimate benefit of Canton ATC.

Assistant to the President, Joel St. Mary, who is executive vice-president of the Canton College Foundation, said: "Before the Foundation there was no vehicle to channel these funds into use. The Foundation became that vehicle and is providing many noncredit educational activities and better

## Tucker Named To 25 Year Club

WINTHROP—Richard E. Tucker, a rodding attendant in the carbon plant at Alcoa, Massena Operations, is one of five employees recently named to the company's 25-Year Club.

Tucker was born in Hermon and attended Colton-Pierrepont Central Schools. He married the former Eleanor L. Hewey of Potsdam. The couple has three daughters and one son. He is a member of the Methodist Church. They reside at Route 1, Winthrop.

The others named to the club for 25 years of service are: Hubert M. Donahue, Fort Covington; Everett L. Gantt, Massena; Simeon F. Langevin, Massena; and Leo P. Latulipe, Fort Covington.
