

**Personal Touch:
Hannawa Falls Area News**

News starts off this week on a joyous note. Gail Plumb, daughter of Mr. and Mrs. Robert Plumb and Gary Elliott, son of Mr. and Mrs. Donald Elliott were married Aug. 5. Much happiness is wished this young couple.

Field Day Success
Sunday, Aug. 6 was Hannawa Firemen's Field Day. It was a gorgeous day; the streets were lined and the parking lots were filled. The dinner was delicious and the other attractions of the day kept the crowded field occupied for many hours. Though the final net proceeds have not been released yet, it does look as though they might have surpassed last year.

Local News
Kathy Root and a group of friends left for a few days' vacation in Vermont on Aug. 6. When the "clan" gathered in Root's yard to watch the Firemen's Parade, we found Mr. and Mrs. Douglas Root, Ken, Kevin and Andy and Richard Burt, also Patti Newton and her cousin, Harold Shields.

Mr. and Mrs. Walter VanOrnum, Clearwater, Fla., were dinner guests of Mr. and Mrs. Carl Newton on Aug. 7. Mr. and Mrs. Hugh Newton and children are spending the week at Cranberry Lake state campsite. The Carl Newtons visited them Thursday evening.

Mr. and Mrs. Rupert Moulton have just returned from a trip through New England.

Mr. and Mrs. Robert Wiest, Robby and Daria, Victor, N.Y., were weekend guests of the Moultons. Robby was proudly displaying a brochure that proclaimed him "King of the Hill" of Rochester for 77-78. He bowled 232 to win this title. His sister was also named "Queen of the Hill." She is 11 years old. The Roland Cornishes, formerly of Grant St., were in the area this past week. Now living in Punta Gorda, Fla., they had made a "wide circle" to visit their children and old haunts.

Mr. and Mrs. Darrell Middlemiss spent Friday in Lisbon with Earl Warriner who has just returned from the hospital.

Mrs. Henry Giedel and Elinor, Glen Cove, Long Island, have returned home after spending three weeks at their summer home here.

Mr. and Mrs. Gordon Shimmel will soon leave to spend their vacation in Buffalo.

Museum
An invitation is issued to all the residents of the area to visit our new museum. It has come quite a long way and we feel our first exhibits are really interesting. Due to limited space they will have to be rotated, so if you are at all interested, now is the time to see this series. Dates were to be set at the Monday night meeting for future hours when the museum will be open.

Visit
Mr. and Mrs. Bernard McGarry, Montclair N.J. spent a few days last week with Mr. and Mrs. Harold Champney. On Aug. 4 they toured the 1000 Islands. Near perfect weather added to the pleasure of the day.

**School Opening
For C-P Listed**

COLTON-Thomas J. Sheeran, chief school officer, has announced Colton-Pierrepont's plans for opening school in September.

The first day of work for all employees will be Sept. 5. On that day orientation sessions will be combined with census taking. Sheeran asked all district residents who possibly can remain at home to facilitate the census taking.

Sept. 6 will be the first day of school for students. Bus runs will be essentially the same as last year. Any changes in pick-up time will be less than five minutes or those involved will be notified. Breakfast and lunch will be served.

**Colton Residents Get
School Lunch Info**

COLTON-Ellen Davis, Cafeteria Manager at Colton-Pierrepont Central School, has announced that free lunch information and applications have been mailed to all known residents of the district. Anyone not receiving a letter by Aug. 18 should call 262-2100 and request one.

Canoe Weekend Set

HIGLEY FLOW-Charles J. Elliott, Regional Administrator of the Thousand Island State Park and Recreation Commission announced that the Fifth Annual Canoe Weekend will be held at Higley Flow State Park on Aug. 25, 26 and 27.

A program will be set up to include a campfire Saturday night, canoe games and sport games on land. The public is invited to participate in the Canoe weekend.

Red Cross is counting on you.

**THE FABULOUS
