It is possible that the times of some services may have been changed since the information was first compiled, or that services at some churches have been omitted entirely. Therefore, we ask that readers check carefully the times listed for services in their churches and, if incorrect, notify us of the correct information by calling, 265-6000. In addition, ministers in the Courier and Freeman circulation areas whose churches are not listed at all may call 265-6000, and the information will be listed in future pages.
