

Miss Laramay, Mr. Regan Wed

NORWOOD—Miss Vikki Anne Laramay, daughter of Mr. and Mrs. Jerry H. Laramay, Norwood, became the bride of Rodney Randolph Regan, son of Mr. and Mrs. Michael Regan, Colton, on Jan. 20, 1979. Rev. John Wiley officiated at the ceremony held at St. Andrew's Church, Norwood. Wedding music was provided by Adrian Cuthbert, cousin of the bride. The bride was given in marriage by her father.

Maid of honor was Karen LaBarge. Best man was Randy Fountain. Ushers were Stephen Laramay and Kevin Weems.

Following a reception held at the American Legion Hall, Norwood, the couple left for a short wedding trip. The bride is a graduate of Norwood-Norfolk Central School. The bridegroom is a graduate of Colton-Pierrepont Central School.

Waldruffs Note 60th Anniversary

STOCKHOLM—Mr. and Mrs. Charles F. (Fannie) Waldruff Sr., Winthrop-Fort Jackson Road, will observe their 60th wedding anniversary on Feb. 18.

There will be no celebration, but a card shower is planned for the couple. Their address is Route 1, Winthrop, N.Y. 13697. They would both be very pleased to have greetings from their many friends and relatives.

Miss Fannie Davis, daughter of the late Herbert and Myra Page Davis of Winthrop, and Charles F. Waldruff, son of the late James and Ida Belle Waldruff of Otsville were married on Feb. 18, 1919 at the Ogdensburg Methodist parsonage with the Rev. Davies officiating. Their attendants were Helen Pierce and the late Lloyd Davis, brother of the bride.

The couple have lived in the Winthrop and Brasher Falls areas since their marriage. They have resided at their present address for the past 51 years. Mr. Waldruff retired in 1965.

They are the parents of six children: James Waldruff and Mrs. William (Joyce) Zablocki, both of Baldwinsville; Mrs. Earl (Vivian) Proper, Winthrop-Fort Jackson Road; Herbert Waldruff, Winthrop; and Charles Waldruff Jr., Gouverneur. Another daughter, Greta, died in infancy. There are 20 grandchildren and 14 great-grandchildren.

Mrs. Waldruff will observe her 79th birthday on Feb. 26 and Charles Waldruff observed his 87th birthday in November.

They are both members of the Buckton Methodist Church and the Winthrop Grange, and past members of the Dairymen's League Cooperative Association, Inc.

Mrs. Waldruff is a past president of the Women's Society of Christian Service of the Buckton United Methodist Church. She was a vice president of the Tri-Town Guild, and a member and director of the St. Lawrence Valley Craft Guild and she was an assistant teacher of the ceramics class sponsored by the C.D.P.

Mrs. Waldruff also taught ceramic classes in her home and had a ceramic shop there.

Becksteads Note 48th Anniversary

MADRID—Mr. and Mrs. Garnet Beckstead observed their 48th wedding anniversary Feb. 2 with a dinner at Sholette's Steak House in Ogdensburg, where an anniversary cake given by Mr. and Mrs. W.D. Poppo was served.

Garnet Beckstead, son of the late Mr. and Mrs. Frank Beckstead and Iva

White, daughter of the late Mr. and Mrs. Leon White were married Feb. 2, 1931 in the Methodist parsonage, Morley, with Rev. Lavere officiating.

The couple operated the family farm and later purchased the Fisher farm, where they lived for 27 years. They later purchased the George Walker home,

where they now reside.

The couple has four children, Ronald and Richard, Madrid; Mrs. James (Joan) Webb, Ogdensburg and Mrs. Ulla (Carol) Sharlow, Ogdensburg. They have nine grandchildren.

Two weeks ago Niagara Mohawk crews from virtually every district in its Central and Eastern Divisions went West. They went to help put things back in order after a major storm seriously disrupted the electric power supply in five Western New York counties.

It was Monday evening when the area was first hit by sleet and heavy ice. Cattaraugus, Chautauque, Southern Erie, Genesee and Wyoming counties felt the brunt of it. Heavy ice toppled trees and branches. More than 1,100 electric lines were knocked out. Over 18,000 customers, spread across a 100-mile long area, were left without electric power. A second storm blast from Mother Nature later in the week complicated matters.

Action to restore service began at once. Emergency crews from the storm area were placed on 24-hour duty.

At the same time, experienced crews from other Niagara Mohawk locations not affected by the storm were mobilized and sent to the scene of the storm. Altogether, 280 crews stayed on the job as long as necessary to get things back in order. Needed materials—cable from Texas, connectors from Florida—were specially flown in via air freight.

After a large, damaging storm it takes a lot of work to restore power, to clean up the fallen trees, and to put the electric power system back to normal. It takes specialized equipment and supplies. And it also requires many trained, experienced, dedicated people.

All of that help was available to Western New York as a part of Niagara Mohawk's responsibility.

Just two weeks ago, your Niagara Mohawk neighbors went West to help. If a major storm should strike here, that service would be returned. Help would come to you from other sections of our Upstate system.

You can count on it.
