AARP News

Free income tax advice will be available for St. Lawrence County older citizens soon in Potsdam. This service is made available through the Tax-Aide program of the National Retired Teachers Association and the American Association of Retired Persons.

Volunteer counselors trained by the Internal Revenue Service will have a counseling desk in the lobby of the St. Lawrence National Bank, 70 Market St., Potsdam, from 11 a.m. to 3 p.m. every Tuesday and Thursday starting Feb. 27 through April 15 or until further notice.

Don Wright, local coordinator for the tax program, said the service is designed to help older taxpayers understand the various forms and to become familiar with the special exemptions available to them. We can deal with nearly all problems older taxpayers are confronted with. Some of the older people may not even have to file a return because of a change in income status. Others may have special

exemptions to which they are entitled this year.

When you do come in for advice, please bring with you your tax returns from last year and all necessary papers that will allow us to give you the best possible advice.

For further information call Don Wright 265-2846 evenings after 7 p.m. except Monday.

Act now...SAVE MORE MONEY DURING OUR 17th ANNUAL AUTHORIZED OPPORTUNITY DAYS SALE. Most products sold today will be higher priced tomorrow, how much higher is unpredictable. One way to protect your future is to buy with investment in mind. For example: a \$4,000 kitchen remodeling job done five years ago, would now cost over \$6,500. Therefore, that home might be worth \$2,500 more today. (And remember, one of the most important considerations to a prospective home buyer is the kitchen). No one can say for sure what future prices will be, but it's safe to assume that money spent on your home may be one of the best investments possible. To enhance this investment, it is also an outstanding tax shelter. When you sell your

home and take the appreciation of your kitchen, you do not pay income tax on the profits, assuming they do not exceed \$100,000. This is one of the few ways for you to have inflation on your side, for a change.

PROFESSIONAL DESIGN STAFF
Our professional WOOD-MODE designers will prepare accurate perspective drawings, blueprints, tasteful color schemes of your kitchen. They are adept at incorporating space age appliances, plus the latest design ideas into your kitchen.
