Billy Joe, infant son of Martin and Elizabeth Mathie, had a hernia repair at Hepburn Hospital this week. He had been scheduled for surgery earlier but it was postponed due to the terminal illness of his maternal grandmother.

## Former Mayor Of Gouverneur Replaces Cooke

Neither man wanted any fuss made at the time of hospitalization, but "get well" wishes can now go out to Horace Cooke.

**GOVERNEUR**—The Gouverneur Republican Committee, as expected, has recommended former Gouverneur mayor Robert Hayden of 107 Grove St. to fill the vacant seat on the St. Lawrence County Legislature, created by the recent death of Charles Cooke.

Members of the committee met Thursday night to consider several candidates who were interested in the position before deciding to endorse Hayden.

## Personal Touch: Hannawa Falls News

Joanne Brown has arrived home after spending eight days in Upstate Medical Center.

Elsie Alexander has been in Upstate Medical Center and should be home by the time this is published.

Robideau who is back on his feet following heart surgery in Vermont and to Bob Collins who is just now recovering from surgery performed at Hepburn Hospital.

Colton elected the following: Supervisor, Harold Buck; Town Clerk, Elizabeth Ford; Highway Superintendent, George Fisher, Assessor for four years, Ham Ferry; Assessor for two years, George Wright; Councilmen, Tom Frank and Ed Woolston and Town Justice, John Litten.

There was good attendance at the meeting of Colton Citizens' Committee, enough so that we could split into three groups and discuss housing, recycling and aid in reading. First Grade Teacher Mrs. Gotham is looking

for volunteers willing to come in and listen to the little ones read. Little of one's time is required and it sounds interesting; anyone interested may get in touch with Iris Rexford for details and scheduling.

Colton Neighborhood Center delivered 21 meals recently to shut-ins on their "Meals on Wheels" day. We hope we can make this an ongoing project, eventually, as it really fills a need.

We found the seminar on acid rain at St. Lawrence University very interesting and informative; at the risk of seeming disloyal, we thought our Canadian neighbors were much better speakers and they seem to be ahead of our government in acknowledging

that there is a problem and have started to combat it. If you are concerned about our rivers, lakes and streams and not in a position to make waves personally, you might send a dollar (or more) to C.A.N.A.R.I.-Acid Rain Fund, c/o Trout Unlimited, Box 238, Paul Smiths, N.Y. 12970.

The initials stand for Coalition of Adirondackers to Neutralize Acid Rain Inflow. Five salmon rivers in Canada no longer have salmon in them; we lost our loons on our own pond when the trout went.

A special meeting of C-P Board of Education met Nov. 4 with all members present except David Armstrong. The resignation of Lorraine Bates, part-time teacher aide, was accepted. Approved was the materniv

leave request of Maryon Brown from Jan. 4, 1982 through the first and second quarters of the 1982-83 school year. Donna LaMora Green was appointed a substitute bus driver contingent upon satisfactory completion of all necessary exams and requirements. Candace Skiff was appointed an occasional bus driver contingent upon satisfactory completion of a physical examination.

Approved was rewording of the school's alma mater, with no change in music:

"High above the Racquette Waters,  
"High upon a hill,  
"Stands old 'Colton-Pierrepont Central'  
"And it always will."

"Wave the banner ever onward

"Purple and the gold,  
"Stands old 'Colton-Pierrepont Central'  
"Go ye ever bold."

Clarkson's ROTC "Rangers" are sponsoring a Blood Bank at the Presbyterian Center in Potsdam on Nov. 17, 18 and 19 from 10 a.m. to 3:45 p.m. each day.

Anyone interested in making anything at all to sell for the Senior Racquettes' Crafts and Bake Sale to be held at Hepburn Library Dec. 12 from 10 a.m. to 3 p.m. is urged to get out the knitting needles or other tools. See you there.
