Facts of Law

BY RICHARD V. MANNING
 Attorney-at-law

Because one juror was reading a
 novel and another was working a
 crossword puzzle during
 testimony, the judge ruled juror
 misconduct in one California case.
 Judgment was overturned
 because the jurors did not give
 their undivided attention to the
 case being heard.

The owner of a motor vehicle is
 responsible for having the car in-
 spected as local statutes require.
 In addition, the owner is liable for
 injury to others if the vehicle has
 unsafe conditions.

Man bites dog is legal in
 Paulding, Ohio — for it is legally
 proper there for a policeman to
 bite a barking dog to quiet him.

Generally, LIBEL is defama-
 tion of a person in writing;
 SLANDER is defamation by
 spoken word. Defamation on T.V.
 or radio, even though spoken, is
 considered LIBEL.
