Erwin Garlough is now at home and recovering nicely from surgery. Harold Davis is to be admitted to Mary Fletcher Hospital, Burlington the 15th, with cardiac surgery scheduled for the 17th. Harold LaComb is having his troubles, not bad enough having diagnostic heart work done, he is also having an attack of Bell's palsy.

On Jan. 4 High Falls Lodge 428, F. and A.M. held installation of officers with the following names and officers: Harold Davis, worshipful master; Walter McLennan, senior warden; Roswell Smith, junior warden; George Tiffany, treasurer; Claude Bates, secretary; North Bates, marshal. Appointed officers installed were B. Thomas, senior deacon; Fay Collins, junior deacon; Fred Seleck, senior master of ceremonies; Edward Young, junior master of ceremonies;

John Litton and Glen Thomas, stewards; Lawrence Lang, tiler, and Doyle Remington, chaplain.

Mrs. Susan Cayey was 95 on Jan. 11. If you meant to send a card and then let the date slip by, belated cards are always nice to receive.

If every family in the North Country who can afford it, would send even \$10 to the Norwood Brass Band, they'd easily reach their travel expense fund. Where's our North Country pride?

AFS Exchange Student Applications Available

The Potsdam Chapter of American Field Service International/Intercultural Progress is now accepting applications from families who wish to host a foreign exchange student so that he or she can attend Potsdam High School for the 1984-85 academic year. The American Field Service (AFS) is the largest international high school exchange program and has been operating for 35 years in 62 countries. Most of these nations are in the developing world and so AFS is able to offer the greatest diversity of students.

Volunteers provide local support in such community to assist families and students and they also arrange enrichment activities. Successful fund-raising, both local and national, enables AFS to offer such an opportunity to students from all economic and social levels. An AFS open house will be held Jan. 23 from 7 to 9 p.m. at the home of Fran and Bruce Campbell, 8 Chestnut St., Potsdam.

At the open house, interested people can meet Daniela Spano, Potsdam's current student from Italy; Laura Pennington, the Americans Abroad returnee who went to Tunisia last summer; and Winton Buddington, a Potsdam High School junior who has been accepted for placement in the summer of 1984.
