

Personal Touch: Hannawa Falls Area News

The Pierrepont Museum has received a complete set of the writings of Irving Bacheller as a gift from Mrs. Stockwell of Sidney, N.Y. Mrs. Stockwell and her family are former residents of the Langdon Corners area.

Scott Gilbert, son of Gordon Gilbert, Russell Turnpike near the Fourways, has just been named to the Dean's List at Canton ATC.

Hannawa Falls Volunteer Fire Department has just elected new officers for the ensuing year. They are: chief, Richard Brown; 1st

assistant chief, Dan Snyder; 2nd assistant chief, Roger Gambil; 3rd secretary, Jim Wilson and treasurer, Al Weens. Wally Collins is bingo officer.

Memorial services were held for former resident Walter Jenner in Clearwater, Fla., on Jan. 11. Graveside services will be held here in the spring. Walter used to live on what old-timers still call the Jenner farm. Though his ancestors did not build it, his parents acquired the property early in their married lives. "Old Bill" as we affectionately called him built the farm up to the point where it was considered one of the best farms in the area. For many years, Walter and his wife, Phyllis lived in an apartment there and helped run the farm. They had one son, Kenneth. Ken's address is 2467 Finlanda Lane, Apt. 25; Clearwater, Fla. 33535. Walter's widow's address is: Marion Jenner, 2096 U.S. 19, South Lot 435, Clearwater, Fla. 33156. Condolences are extended to

Walter's many relatives and long time friends in this area.

On a more cheerful side, we have three new arrivals in town. On Dec. 28, Laura Rene arrived at the home of Mr. and Mrs. Dan Collins. Jan. 6, Dana Stephen joined the Stephen Pask family. Grandma Helen Collins and brother Kevin were on the welcoming committee when he came home yesterday. Jacob John arrived at the home of Kathy and Geff Demo on Jan. 11. Don't you think kindergarten will be a lively place, if all these couples stay in the area, about five years from now?

On Jan. 11, the Carl Newtons and Marge and Danny Collins called on Fay Collins in Saranac Hospital. They are still doing tests, so send Fay a card. He may be there awhile yet.

The Newtons went on over to Uihilion Mercy Center to visit Carl's aunt, Elda Kibbon. Though very frail, her mind is still sharp

and she still enjoys a good visit.

Mary Ellen Glasgow went to Boston for a check-up and was allowed to return after an overnight stay. She hopes she won't have to go back there until June.

Sybil Whitmore has developed a large sore on her leg. Thelma Irish is staying with her while she treats the injury at home.

During the year of 1984, TOPS 483, Colton was quite active. Some of their activities were as follows:

January: A quiet month, but in February the club held its recognition night when it honored the best losers, king, queen and other outstanding members of 1983.

March: Diet dinner for the Norfolk Chapter; election and installation of officers.

June: Thirteen attended the S.R.D. at Lake Placid and reported great inspiration and good times.

September: Nine attended the Rally Day at Gouverneur. Films were shown and guest

speakers were present at other meetings. There were various contests during the year. The winners won charms. Inspirational meetings were held in Canton or Potsdam every three months.

Mildred Remington was recognized for attending most the meetings. Best losers for 1984 were Arlene Gotham and Rose Gaurin. One of the members, Carol Currier, was married on Jan. 5, 1985.
