I wonder if others enjoyed Bob LaRue's program each morning before Christmas on WPDM on "Christmas in Our Town." It took a lot of time and research and help from older persons for the material that he put together for these interesting programs. I think a note to Bob, in care of WPDM, Potsdam, commending him for his efforts and urging him to do something similar in the future, would be appreciated. Also, possibly a word of appreciation for "The St. Lawrence Almanac" program that he announces each morning following the 8 a.m. news, would be a nice gesture.
