The listing of church services has  
been compiled by the staff of the  
Courier and Freeman from a  
number of sources. It is possible that  
the times of some services may have  
been changed since the information  
was first compiled, or that services  
at some churches have been omitted  
entirely.

Therefore, we ask that readers  
check carefully the times listed for  
services in their churches and, if in-  
correct, notify us of the correct in-  
formation by calling 265-6000.

In addition, ministers in the  
Courier and Freeman circulation  
area whose churches are not listed  
at all may call 265-6000, and the in-  
formation will be listed in future  
pages.

**NOTICE OF PUBLIC HEARINGS FY 1986 HUD SMALL CITIES PROGRAM VILLAGE OF POTSDAM NEW YORK**

The Village of Potsdam intends to submit an application to the U.S. Department of Housing and Urban Development (HUD) for funding under the Community Development Block Grant Small Cities program for FY 1986 in the amount of \$400,000 to assist the Northern Advanced Technologies Corporation (NATCO) Research Park project.

Citizen participation is essential in identifying needs and priorities for use of Small Cities funding. In order to obtain citizen involvement, the following public hearing dates have been established:

1. Monday, February 17, 1986, at 7:00 P.M., Civic Center, Board Room, Potsdam, New York

This hearing is to obtain views and proposals of citizens at the initial stage of application development on community develop-

ment and housing needs and priorities, and to review the Village's performance in utilizing CDBG funds received to date.

2. Monday, March 3, 1986, at 7:00 P.M., Civic Center, Board Room, Potsdam, New York

This hearing is scheduled to obtain views of citizens on the proposed application prior to submission to HUD.

Small Cities Program funding is primarily intended to assist low and moderate income persons. Funds are distributed to non-metropolitan areas on a statewide basis.

Citizens attendance and/or submit of written comments is encouraged.
