

Norwood Highlights

It's all over. The tree is down, the presents put away, the "thank-yous" are all mailed, the tinsel and pine are vacuumed, and the kids are back in school; but a bit of the magic remains. People are still smiling and feeling good about each other. Lets hope this spirit remains — it seems to be contagious!

I took my children to the ice skating arena on New Year's Day and was pleased to see children of all ages, as well as teens and adults enjoying the ice, (and one thing we have plenty of is-ICE). The arena is open and supervised on weekdays from 3:30 - 5 p.m. and 6 - 8:30 p.m. and weekends from 1-5 and 6-8:30 p.m. This is for public skating so no hockey sticks or pucks please.

Plonka Named To Bank Board

John P. Plonka, of Norwood, has been named to the advisory board of the Norwood Office of The St. Lawrence National Bank, according to an announcement made by LeRoy E. Hansen, president and chief executive officer.

Plonka, born in Ticonderoga, was graduated from Moriah Central School in 1967 and from the Simmons School of Embalming and Mortuary Science in Syracuse in 1968. He served his residency at the Harland Funeral Home in Port Henry, and received his New York State Funeral Director's License in 1969. He then entered the United States Army and was stationed in Vietnam for one year.

After returning from the Army, he became employed in January, 1974, at the Bank. He is a member of the Norwood Chapter of the American Legion, the Norwood Chapter of the Elks, and the Norwood Chapter of the Moose. He is also a member of the Norwood Chapter of the United Way.

If any children are interested in joining the cross-country Bill Koch Ski League, but missed the registration, they can still register by calling Lonnie Avery at 353-8870. COUPON COOKBOOK CORNER

This is a recipe for fun times and for snacking. In this popcorn recipe, MAZOLA NO STICK® Cooking Spray is a real contributor. You will find that spraying the pan and utensils insures not only easy clean up, but that all the glaze covers the pop corn and nuts rather than the pan and utensil. Here are some hints in preparing this recipe: Generously spray MAZOLA NO STICK® Cooking Spray in heavy 3-quart saucepan. Add 1 3/4 cup popping corn, cover (leave partially covered), lightly

Marion Joyce

GLAZED POPCORN AND NUTS

- MAZOLA NO STICK® Cooking Spray
- 3 quarts popped corn
- 3 cups unsalted mixed nuts
- 1 cup firmly packed brown sugar
- 1/2 cup Mazola® margarine
- 1/2 cup Karo® light or dark corn syrup
- 1/2 teaspoon salt
- 1/2 teaspoon vanilla
- 1/2 teaspoon baking soda

Spray large shallow roasting pan with Cooking Spray. Add popped corn and nuts; stir together. Place in 250°F oven while preparing coating. In heavy 2-quart saucepan, stir together next 4 ingredients. Stirring constantly, bring to boil over medium heat. Without stirring, cook 5 minutes. Remove from heat; stir in vanilla and baking soda. Pour syrup mixture over warm popcorn mixture; stirring to coat well. Bake in 250°F oven, stirring occasionally, 1 hour. Remove from oven. Cool; break apart. Store in tightly covered container. Makes about 4 quarts.
