

Sunday Rock North 'n' South: Colton And South Colton News

BY DOROTHY AYERS
262-2455

Community sympathy is extended to the family of Louis Heilenbeck whose funeral was Jan. 21 at St. Mary's, Potsdam. Louis and Millie attended the January meeting of the Senior Racquetters and 11 days later he had left us. Events happened so rapidly that for those of you who are still wondering what happened, this is what we learned: Louis had been doctoring for hoarseness but when he suddenly couldn't speak he was taken to the hospital emergency room and then sent to Burlington Jan. 12. Tuesday a large mass was surgically removed from his neck and he was told that his larynx would need to be removed, but that he would have to consent. Thursday he suffered a massive heart attack and died Jan. 17.

Other than a wake for a very rich man in Syracuse, we've never seen so many people at a wake as we did the other day for Louis.

Do any of you remember that we had our very own "New Year's Baby" here in South Colton a few years ago? John and Jean Fitzpatrick welcome little Martha Ann at 10 p.m. Jan. 1976 at Potsdam Hospital.

Sanctuary Movement Topic Of Meeting

The Unitarian Universalist Church of Canton will sponsor a presentation on the Sanctuary movement on Feb. 8. The presentation will be made by Aggie Lane, co-chair of the May Memorial Unitarian Universalist Church Sanctuary Committee and Jackie Manier of the Plymouth Congregational Church. Both churches were founders of the Syracuse Sanctuary Covenant.

The sanctuary movement has been joined by people around the country who are concerned about the U.S. role in Central America and the refugees from that area's violence.

The presentation will begin at noon at the Unitarian Universalist Church. Child care will be provided. All interested persons from the North Country are welcome to attend.

Rev. Shurtleff has been transferred to St. Patrick's in Brasher, which is good in that he will still be nearby. A lot of us will be sorry to see him leave our town.

See you there.
